## Che Weehly Gazette.

PUBLISHED EVERY THURSDAY MORNING GEORGE WEAVER. EDITOR AND PROPRIETOR John H. Wright, Printer. OFFICE-Tallmadge Buildings-Third Flour-

ings on the river Du Loup, at its junction with the Chaudier, in which he states that during the present season 1,900 penys, and matters and things in general.

Well, Squire, 'said Mr. Gulic, do you have been obtained by the company engaged in working the deposit. Much time and money were lost in consequence of their dam being carried away, but on the whole the labor has been connection with the gold and iron suit, I wouldn't take a thousand dollars for him small quantity of plantinum, and irrodium.

In the Conneasy on Minters and things in general.

Well, Squire, 'said Mr. Gulic, do you have a fellow can buy a right smart ble to the Twoer of London, vice Welling, the company engaged in working the deposit. Much time and money were lost in consequence of their dam being carried away, but on the whole the labor has been servine. The other minerals found in connection with the gold and iron sand, a manters and things in general.

Well, Squire, 'said Mr. Gulic, do you have a right smart ble to the Twoer of London, vice Welling, and thence to New York and New York and New York and the Cambermore was nominated Constantiation in the Boston Courier, of the Cambermore was nominated Constantiation in the Boston Courier, of the United and New York and New small quantity of plantinum, and irrodium . Just my luck. Why, I never heard a communes of France. with an indication of mercury.

would only lose their time and labor by turn- I'm told they went very low." ing gold-hunters.

recently heard the following most touching incident. A little boy had died; his body was laid out in a darkened, retired room, waiting to be laid away in the lone cold

His afflicted mother and bereaved little sister went in to look at the sweet face of the precious sleeper, for his face was beautiful even in death. As they stood gazing upon the form of the one so cherished and beloved, the little girl asked to take his hand. The mother at first did not think it best, but her child repeated the request, and seemed very anxious about it, she took the the cold bloodless hand of her sleeping boy add blaced it in the hand of his weeping sis-

The dear child looked at it a moment, caressed it fondly; and then looked up to her mother through the tears of weeping affection and love, and said; "Mother this tittle

What could be more touching and lovely! Young reader, have you always been so gentle to your brothers and sisters, that were you to die, such a tribute as this could be paid to your memory! Could a brother or sister take your hand, were it cold, and say,

tears of remorse, of an unkind child, as it looks upon the cold form, or stands at the grave of a brother or sister, a father or nother, toward whom he or she, had manifested unkindness. Let us all remember. whatsoever we sow, in this respect, that we shall also reap .- Well-Spring.
